Sun Protection

Lipbalm SPF30

Care Plus® Sun Protection Lipbalm SPF30 is the ideal lip care for any climate.

This lip balm offers high UV protection and will not melt or freeze. Our lip balm has been tested at temperatures of -20 °C to +40 °C, making it suitable for use in the tropics, mountains, on the water, during water sports, and for everyday use. The lip balm provides long-lasting protection from the sun, wind and cold. It contains natural ingredients such as Allantoin and Aloe Ferox Leaf Extract.

Allantoin supports the recovery of fissure lips and Aloe Ferox Leaf Extract improves the condition of dry or damaged skin and makes it smooth again.

BENEFITS

- Suitable for use in the tropics, on water and ideal for winter sports
- Suitable for everyday use
- Provides long-lasting protection and care for rough and chapped lips against sun, wind and cold
- Tested at temperatures from -20°C to +40°C
- Tested on the Mount Everest and on the Mont Blanc
- Non hypoallergenic
