

Personal hygiene has become more important than ever and crucial to our health. That is why Care Plus® has designed a new kit that makes sure you are protected at all times while traveling. The Care Plus® Hygiene Kit contains all hygiene essentials in a stylish package and is easy to take with you on the road and when traveling. The kit is lightweight, resealable and water resistant.

The Care Plus® Hygiene Kit contains the cleansing Care Plus® Hygiene Gel which is suitable for hands and skin. The gel gives your hands a clean and fresh feeling without the use of soap and water. Does not dry out the hands because of unique ingredients such as Aloe Vera. In addition, the Care Plus® Hygiene Kit is equipped with two alcohol wipes (70% alcohol) that can be used to clean hands and surfaces.
